THE GVSUNS STORY

Formed in 2014, the GV Suns FC are a part of the Victorian National Premier League, the highest level of competition football in this country, under the A-League.

The Club proudly fills squads in NPL2 Seniors and Under 20s, and NPL Junior Boys Under 12 though to Under 18, along with a Skills Acquisition Program that engages players from Under 8 to 11.

The Club represents the most talented youth in our region, and is only one of 4 regional clubs outside of metro Melbourne to be included in this elite competition.

The GV Suns compete in a 27 round fixture against some of the biggest Metropolitan Clubs in the Country. Eighteen of these matches are played at our home base, the state-of-the-art, Shepparton Sports City.

What it means to be a part of the GV Suns community....

- Our players are given the best possible experience for progressing their development and growth. We offer a strong and structured training regime. The quality of the coaching and support staff is high, and they are all enthusiastic, committed, encouraging, friendly and approachable.
- Along with physical, personal and team development, we will also promote a relationship between players/coaches/committee members/families/members that is focused on the enjoyment of the sport.
- The GV Suns is an all-inclusive Club, where all of the people involved are highly motivated, dedicated and committed to improvement and progress in all areas; from setting and achieving goals, to establishing relationships and adding value to the local community.
- Players, their families and supporters alike meet and socialize with other members at trainings, match days and also outside of the game itself. The Club hosts a number of functions throughout the year so that players and families may also enjoy the social aspect of the game.
- The GV Suns is committed to providing you with a professional, organised and positive experience.

In this package, you will find detailed documentation with information on how you and your Company can contribute to our Club.

Your support, regardless of size will have a lasting impact in our community for years to come, and will go a long way to ensuring the success of the Club and it's players for the future.

Please take a moment to review and select the sponsorship package that best fits your business and budget.

I thank you in advance for the generosity of your financial commitment. We recognise the competing demands for your resources and appreciate your willingness to support our organisation.

Go Suns!

Michael Crisera - Club President
